

A stacked bar chart showing the distribution of 1000 samples across 10 categories (a01 to a10). The categories are color-coded from dark blue (a01) to dark red (a10). The distribution is highly skewed, with a01 being the most frequent category and a10 being the least frequent.

Category	Count
a01	100
a02	100
a04	100
a05	100
a06	100
a07	100
a09	100
a10	100
